## Intels kleine Antwort auf AMD

Beitrag von „DSM2“ vom 9. Oktober 2019, 15:12

[FMQ](#) Please tell me in which kind your post is related to X299?

Besides of that : there is no problem to fix that but this topics belongs not to this thread, also this is not related to all motherboards for the 3647 Platform.

Works with both at my home...
