

# M93p Tiny - Catalina bootet nicht nach Update von Mojave

Beitrag von „b0ogdann“ vom 17. Oktober 2019, 09:43

Hi [EaseYourPain](#) ,

I have a question. Does sleep work for you? For me it does automatic reset when i try to put the computer to sleep.

Hi. I have a question. Does sleep work for you? For me, it performs an automatic reset when I try to put the computer into hibernation.
