Gigabute Z390 Gaming X - Chipset IMEI Controller issue

Beitrag von „al6042“ vom 27. Dezember 2019, 00:24

Hi and welcome to the forum... 😊

I moved your post into a separate thread, since you didn't mention anything about your computer.

Please add those details either to your signature or your profile, within the section "About me".

Otherwise we will not be able to help you.
