## **End RandomSeed +++++... stucks.... fast help pls**

**Beitrag von „Blast“ vom 2. Januar 2020, 01:03**

Hi I am trying to install Mojave or catalina and I am stuck at the same (end Random seed++++++)

My system is a Asus x299 prime Deluxe II motherboard with intel core i9 9920X CPU and a Sapphire radeon RX 580 Graphics card. Can someone Please help me. Thanks.
