

# **X299 Tutorial - ASUS WS X299 SAGE/10G (Hilfe und Diskussionen)**

**Beitrag von „kaneske“ vom 1. März 2020, 14:28**

Will get mine MKII tomorrow, so I can post results with FW43 @GC Titan on SAGE, but I think it runs in the same behavior as DSM2 is already asking for the used revisions...

What to do then? Downgrade?
