Gibt das Bild. Was sagt das aus?

The screenshot shows the AmorphousDiskMark 2.5.3 interface. At the top, it displays '1' test, '512 MiB' block size, 'mac-Catalina (3% used)' drive, and 'MB/s' units. The results are as follows:

	Read [MB/s]	Write [MB/s]
SEQ128K QD32	3441.23	2538.88
RND4K QD32	1067.67	13.27
SEQ1M QD1	1968.49	1931.23
RND4K QD1	60.30	13.03

The drive name 'Sabrent' is visible at the bottom of the results table.
