[Need Help] H87 Clover "End RundoSeed" +++ and reboot

Beitrag von „June“ vom 25. März 2020, 13:34

Ok , I will try it, but where can I download this FWRuntime Services.efi ?

I remember that FWRuntime Services only for OpenCore... Isn't it ?

EDIT I have tried the lastest AptioMemoryFix and FWRuntimeService, they all can not boot my install program....
