Oh okay! Wozu brauch ich das, was machen die? Und wo krieg ich das vom Mainboard her

Edit:

Ah okay da könnt ich das abgreifen:

2.2.4.7 Internal USB 2.0 Single-Port Header (1.25 mm Pitch)

Figure 14 is a connection diagram for the internal USB header.

NOTE

- The +5 V DC power on the USB header is fused.
- Use only an internal USB connector that conforms to the USB 2.0 specification for high-speed USB devices.
