

[Sammelthread] MacOS BigSur 11.0 DEV-Beta Erfahrungen

Beitrag von „The_Dave“ vom 24. Juli 2020, 18:45

[mt-fr](#) You seem to have a laptop, didi you follow this guide carefully?
<https://dortania.github.io/Ope...-lake.html#starting-point>

Also you have way to many ssdts in the acpi folder, you can't just copy them over from clover.
