(Anleitung) Monterey & Big Sur auf Dell Latitude e5450/e7450/e7250/e5250/e5550 + Touchscreen + OpenCore + 100% Tastaturbelegung

Beitrag von „Alexis2020“ vom 16. August 2020, 20:14

Hello,

I have a Dell E5450 as well. I don't have previous hackintosh experience. Could you explain step by step?

Thanks I really appreciate it.
