

Lenovo Thinkpad T530

Beitrag von „5T33Z0“ vom 19. Oktober 2020, 16:56

[antukst](#) To answer your question: I don't know yet if it is BigSur compatible. As far as the bootloader and config is concerned, it should be compatible. But as far as the integrated Intel HD4000 Graphics is concerned I don't know. I probably won't install BigSur anyway.
