

# ASUS Rampage VI Extreme (original) with Radeon VII

Beitrag von „g-force“ vom 22. Oktober 2020, 05:45

Welcome to the forum! 😊👍

Writing in english is okay for most of our users, the translation is okay, too.

There`s a user DSM2 here in the forum who is a specialist for X299-Boards. Maybe he`ll take a look at your config.
