

# Opencore 0.6.4 StartImage failed Big Sur Installer

Beitrag von „mootech“ vom 16. November 2020, 00:59

Hii...

Have exactly the same problem. I. narrowed it down to:

<https://dortania.github.io/Opencore-0.6.4-extras/kaslr-fix.html>

Haven't got time to try out yet.

BTW, mine is also a Dell - XPS 9380
