# Catalina installation

**Beitrag von „EndreF" vom 15. Dezember 2020, 00:05**

Thanks for your reply, I know that is a German forum, I live in Germany but I'm Hungarian, my German it's not so good

I create everything with Dortania Open Core.

I'm not so professional with programming and hacking but I try to put Mac OS on older pc.its a Dell Optiplex 7010 i5.
