Die EFI sieht z.B. so aus:

The image shows a screenshot of a file explorer window displaying the contents of an EFI partition. The window has two columns: 'Name' and 'Anderungsdatum' (Modification Date). The 'Name' column shows a hierarchy of folders and files, with 'OC' expanded. The 'Anderungsdatum' column shows the date and time of the last modification for each item.

Name	Anderungsdatum
> BOOT	20.12.20, 14:57
▼ OC	05.01.21, 20:49
> ACPI	20.12.20, 14:57
