

OC DELL Latitude E6420

Beitrag von „Mo-6420“ vom 16. Februar 2021, 14:47

Hi everyone,

I have a surprise for all friends having a dell latitude e6420...Now our old pc is a MacBook Pro 2020

a new EFI OPENCORE for all...with no problems 100% working...

with pic...

Good luck and Enjoy [EFI-OpenCore-DELL-latitude-E6420.zip](#)
