AMD users have to wait to try to start to find these new missing patches:

```
root@bootKernelExtensions.kc">  
result 2 for kernel (cpuid_set_cache_info - don't set cpuid_cores_per_package) - Not Found  
result 7 for kernel (cpuid_set_info - jop to calculations and set cpuid_cores_per_package  
result 8 for kernel (cpuid_set_info - cores and threads calculations) - Not Found
