

# OC DELL Latitude E6420

**Beitrag von „Mo-5590“ vom 7. September 2021, 19:29**

hi everyone,

Here 2 videos with 2 efi bootloder Opencore and Clover and with 2 boots dos and apple

And i'm sorry friends i can't uplod them

Thank you

For me the last clover 51r39 is perfect

But opencore 0.7.3 is perfect until the 31 october 2021 but after that i have some problems i hope the masters of oc fix it
