

Anfrage aus dem HWC - Dell XPS 7390

Beitrag von „lazybones“ vom 20. November 2021, 14:55

Anfrage an [Hecatomb](#)

Hello Hecatomb666.

Just wanted to thank you for the Big Sur configuration. I had been struggling for quite a while to get things working. You have found a solution to all the problems. Looking forward to your updates for Monterey! (I see you're already on OpenCore 0.7.6!?)
