[Aluveitie](#)

I've seen you've done a post on insanly mac with this board - <https://www.insanelymac.com/fo...surmonterey-opencore-efi/> , could you maybe help please?
thanks in advance

[wilianb](#)

take a look of this insanelymac- github links too - <https://github.com/aluveitie/RyzenMacPro> - <https://www.insanelymac.com/fo...surmonterey-opencore-efi/> , it maybe inspire you
