

OC DELL Latitude E6420

Beitrag von „Mo-5590“ vom 2. Dezember 2021, 19:16

sorry for the late,

First forget the intel graphics 3000 hd it's not a problem

Second use these kexts in the pictures

Finally, no problems with my OC (WE ARE 2ND DECEMBER 2021 AND LAST VERSION OF OPRNCORE 0.7.6) and it works 100

THANK YOU VERY MUCH
