

Mac OS Catalina auf HP Envy 15 ep0070ng 2020 i7 10750H

Beitrag von „Eugene2878“ vom 7. Februar 2022, 00:42

Thank you for sharing. The only mistake is using

change GBIF,1,N to XBIF you have find 4742494601 replace 5842494600 gives aspi error in DSDT

You have to change find 47424946 and replace 58424946.
