

Lenovo Yoga C740 Stuck on MACH Reboot

Beitrag von „hanykamal“ vom 1. März 2022, 21:09

Hello, I can't find NVRAM Reset, I didn't even install **Catalina yet**, it's stuck on the USB Boot, please check the attached images, also while I'm searching on google I found "**unlock CFG**" do I need to do that for my Lenovo C740
