

Lenovo Yoga C740 Stuck on MACH Reboot

Beitrag von „hanykamal“ vom 2. März 2022, 21:23

Did you check the <https://www.hackintosh-forum.d...re-2022-03-02-115100-txt/>

what's different between EFI 001 EFI 002

Could you please upload them again, for somehow I cant unpack them I got an error even when I use keka
