

Anfrage aus dem HWC - Z490 A

Beitrag von „Hecatomb“ vom 5. März 2022, 17:21

[savana88](#) you can copy and past the igpu property's from this configuration <https://github.com/ARGAMX/Hack...MSI-Z490-GAMING-EDGE-WIFI>

If you need help start a new thread and look at the dortania opencore guide
