

# Opencore Installation auf Z690 Gaming X DDR4

Beitrag von „julian91“ vom 5. Juli 2022, 14:29

[Muzman](#)

thats not the sense of a Community.

Helping each Other is ok and that should be the community life, but to ask for a EFI Update because you're too lazy to do it yourself its sad.

Look into the Dortania guide end learn yourself how to update your efis.

There would be Days nobody are online and can help you when something crash.
