

# Anfrage zu HWC: DELL XPS 13 9343

Beitrag von „cornholioism“ vom 8. Juli 2022, 01:19

testing loading...it looks like it stuck on com.apple.xpc.launchd.....service state :running

...still waiting

I am not sure maybe is something in bios bad set...but i dont know what.

I was able previosly with this [bios settings](#) load big sur approx half year ago...but now i have new ssd
