Thank you, but the Code is not working for me:

```
marlin ~ - ssh - 110x69
last login: Sun Jul 17 07:27:38 on console
marlin@FreeBSD-Martin: ~ % sudo find --in-place --sign --directories /Applications/Adobe/Photoshop/CC/2019
sh: command not found: sudo
marlin@FreeBSD-Martin: ~ %
```
