

# Photoshop cc2019

Beitrag von „fabiosun“ vom 17. Juli 2022, 08:25

You can see the reason in your picture

you have to download the script from here:

<https://github.com/NyaomiDEV/AMDFriend>

following the instructions in this github page

[Zitat von tackerjim](#)

Thank you, but the Code is not working for me:
