

# Bild & USB Hub über USB-C Port der Grafikkarte?

Beitrag von „fabiosun“ vom 30. September 2022, 16:01

<https://github.com/koush/Kexts>

thanks [Lorys89](#) to show me this key and [Aluveitie](#) to have linked me this repo

with this kext I have my USB type C on 6900 xt working perfectly
