

# macOS 13 VENTURA beta

Beitrag von „fabiosun“ vom 20. Oktober 2022, 17:40

[Zitat von Technotron](#)

Thanks [fabiosun](#) ... ok weird it's not loading... hmhhh

Edit: which of course explains why it's not working lol...

not weird, check lilu and restrict events next

it could happen if they mismatch

[Technotron](#) I use these set if you like to try (backup yours)
