

Update von Monterey auf Ventura geht nicht

Beitrag von „fabiosun“ vom 6. April 2023, 08:09

[Zitat von amox](#)

Ventura aus Monterey

Hi

your problem is Patches related

you have to update them to latest patches

rhese ones are from a AMD Vanilla patches github

[Archive.zip](#)

you have to properly configure for your CPU core count

edit:

this is your config updated

be sure to update also your boot loader and kexts
