

AMD Radeon 6650 XT, 6950 XT und 6900 XTXH ohne GPU-ID Spoofing

Beitrag von „hObelware“ vom 7. April 2023, 16:31

from your windows screenshot I read, that USBX (unusally) shares the PCI Path with the graphics card. maybe there lies the performance issue ..

you should review the USBX declaration (SSDT-USBX?)
