hi [x VansLover](#)

if you are using config.plist posted in OP and you are updating Monterey to macOS Ventura 13.3+ one of your patches is wrong

this one

algrey - Force cpuid\_cores\_per\_package 13.3+

find

C1E81A0000

replace

BA00000000

replace should be:

BA06000000
