

Hilfe bei: Hackintosh auf AMD System installieren

Beitrag von „fabiosun“ vom 10. Juni 2023, 18:10

we have to double check your bios option

it is not possible that different EFI produce the same hang

Sata are set to AHCI or raid?

SecureBoot ?

4G on?

Uefa- ChampionsLeague 😊 UEFI On?

ResizeBar option?

if Resize bar is on try to put it off
