

Dell Vostro 3558 mit OpenCore & macOS Ventura

Beitrag von „darthwilson“ vom 15. Juni 2023, 17:53

[Zitat von apfel-baum](#)

hello [darthwilson](#) ,

there is an good source for doing an efi by yourself, everyone was an beginner sometimes -

just take a look at <https://dortania.github.io/OpenCore-Install-Guide/>

or - <https://github.com/5T33Z0/Clover-Crate>

Ig 😊
