

# OC DELL Latitude E6420

Beitrag von „Luluuuuu18“ vom 7. Juli 2023, 11:14

Hi there, it's been a while !

I saw [Mo-5590](#) you successfully installed Ventura and Sonoma, great work !

I tried to install Monterey on my e6520 with OC but can't pass through the boot... impossible to install 🤔

Can you help me to boot it or share your efi for monterey or ventura please ?
