

Installation einer dritten Festplatte. | How to?

Beitrag von „Nightflyer“ vom 27. Juli 2023, 16:19

[Zitat von TheSnooze](#)

Wie initialisiere die neue Festplatte?

Mit dem Festplattendienstprogramm.

Löschen GUID APFS

Zu der Verschwundenen Platte

Aus dem Handbuch

Installation Notices for the M.2 and SATA Connectors:

Due to the limited number of lanes provided by the Chipset, the availability of the SATA connectors may be affected by the type of device installed in the M.2 connector. The M2A connector shares bandwidth with the SATA3 1. The M2M connector shares bandwidth with the SATA3 4, 5 connectors. Refer to the following tables for details.

* M2A:

Connector	SATA3 0	SATA3 1	SATA3 2	SATA3 3	SATA3 4	SATA3 5
Type of M.2 SSD						
M.2 SATA SSD	✓	✗	✓	✓	✓	✓
M.2 PCIe SSD	✓	✓	✓	✓	✓	✓
No M.2 SSD installed	✓	✓	✓	✓	✓	✓

✓: Available, ✗: Not available
