

# **Complete installation of Sonoma mac OS 14 Beta - hp ZBook 15 G5 ( Intel Core i7-8850H) Workstation**

**Beitrag von „MacGrummel“ vom 15. August 2023, 09:29**

I 've updated the PList to the OC 094-Version and dropped some mistakes from OpenCore Validator. And made new unused Serials and UUIDs..
