

# Anleitung für Broadcom-WLAN-Patch unter macOS Sonoma

Beitrag von „MacGrummel“ vom 9. September 2023, 10:48

[fabiosun](#) : Clover r\_5155 is not running for me, too. May be we need some more Instruction for Settings: YES gives no Start, NO gives no Start, too, or no Broadcom-WLAN if we are throwing out the Ventura SkywalkFamily..
