

OC DELL Latitude E6420

Beitrag von „Mo-6420“ vom 3. Oktober 2023, 16:44

Soxongful

First, your EFI is a new one for me and i'm so glad because you still use intel cpu

Second, it is a good job

Try to fix it alone because i have no idea so sorry

Good luck and thank you very much

For me i don't need OCLP...see my pic.
