

AMD Radeon 6650 XT, 6950 XT und 6900 XTXH ohne GPU-ID Spoofing

Beitrag von „Scanduz“ vom 25. April 2024, 22:05

[fabiosun](#) I'm stubborn but after several trials I finally understood that it's not possible to go beyond Monterey. I thought I would be able to share a guide, but this time I have to abandon the work I was doing. 😊
