

OC DELL Latitude E6420

Beitrag von „apfel-baum“ vom 17. Juni 2024, 18:21

@I BigSUR

that's the way you go ->

<https://dortania.github.io/OpenCore-Install-Guide/>

<https://dortania.github.io/OpenCore-Install-Guide/04-creating-a-persistent-plist/sandy-bridge.html>

update kext + opencore/ ocaux
