

OC DELL Latitude E6420

Beitrag von „I BigSUR“ vom 25. Juni 2024, 17:43

[Mo-5590](#)

I tried lot for it

But I got this result again and again

Nonresponse apple logo

I tried maximum,this files are entirely different,I can't understand

Please

Can you send your latest oc 1.0

EFI file for Bigsur ?

Please

My request
