

macOS 15 Sequoia Beta im Test

Beitrag von „fabiosun“ vom 29. Juni 2024, 13:17

With a nightly OCLP commit and 3 updated kexts found in Sequoia github branch (OCLP)

<https://github.com/dortania/Op...r/actions/runs/9507556354>

It is not perfect but it works

In italy i have error when i use Iphone Mirroring feature (country not supported)

Not investigated so much about this
