

Sehr schlechte OpenCL Performance

Beitrag von „DevFelixJava“ vom 9. August 2024, 14:48

[Zitat von fabiosun](#)

you have to open and edit with maciasl app

and find yours here:

EDIT2

[DevFelixJava](#) i see you are on AMD as me

Which AMD Kernel patches do you use for FIX pat? algrey or Shanees's ones?

Second one is faster in benchmarking gpu

Alles anzeigen

The ones mentioned in Dortania. https://github.com/AMD-OSX/AMD_Vanilla

Sorry to bother u that much, but I don't see a place to enter my IOREG
