

# HP Omen 16 Ryzen 6800H / RX 6650M - Sonoma Installer

**Beitrag von „IsaakJobs“ vom 17. August 2024, 16:48**

Hi friend I have the same HP omen 16 with the same specs I will try to install macOS with your EFI and if I have success I will share with you! Also if you done any success please share here. Let's works together.
