

OC DELL Latitude E6420

Beitrag von „Mo-5590“ vom 29. Dezember 2024, 16:14

In the EFI of Oralila

Everything works /

Sound

Bluetooth

Graphics

Only wifi card don't with airportillwm

So use both (airportillwm+itlwm.kext)

And use it with Heliport method

And you have a full PC macbook

To fix soud

Ad these two things:

boot-args

alcid=11

SystemAudioVolume

46
