For those who loves clover

To use it in dell latitude e5590

Take this folder of kexts just copy it

DON'T UPDATE IT

<https://drive.google.com/file/...wM0Itxn/view?usp=drivesdk>

Use the last clover if you want

After installation update kexts if you want too

Don't forget

Alcid=11

In your config to fix sound

You have a full PC

With wifi, bluetooth and sound

Good luck
