

# i7-5930k und GA-X99-SLI Hackintosh möglich?

Beitrag von „Triso01“ vom 25. Februar 2025, 14:20

Ich meinte nur das es Supported to Monterey sagen müsste wie bei der GTX 1060 hier:  
Maximum support up to macOS High Sierra 10.13

```
#####
#                               #
#                               #
#####
1. CPU:
  - 13th Gen Intel(R) Core(TM) i5-13490: Up to macOS Sequoia 15
